Your tickets are then booked for every match for you to use how you want and when you want to. One match you could be entertaining potential clients and then at the next boosting team morale with a staff outing. Subject to availability additional places can be booked on a match to match basis if demand from friends, clients and colleagues requires it!

#### Matchday sponsorship packages

Our three matchday sponsorship packages give real wow factor. As well as offering five star hospitality and behind-the-scenes tours of Molineux Stadium each offers an exclusive experience for each party. Main Match sponsors have the opportunity to brand the match with advertising included and exclusive access to sampling to the crowd before the match.

Two lucky guests will go to the centre circle to have their picture taken with the team captains and match officials before kick-off and everyone will get the chance to vote for the Wolves Man of the Match after the game and be presented with a framed shirt signed by the First Team.

Head Coach Sponsors and their guests will meet Kenny Jackett for a private pre-match meeting and Matchball sponsors can have two guests on the pre-match line up photo with the team captains and match officials and will get to keep the matchball signed by the Wolves first team.

#### Matchday hospitality

If you're all about the wining and dining and not so much about the once-in-a-lifetime experiences or brand awareness, we have a range of matchday packages available from access to our stunning, contemporary WV1 facility through to full silver service five course dining in the Boardroom. Talk to us about your requirements and we'll take you through the most suitable options.

#### Match Breaks

Match Breaks are the ideal way to guarantee your seat at an away game and make a bit of a trip of it. Hotel packages include overnight stay and Matchday packages include a pre match meal at a local pub or restaurant.
