

I want to...

## Entertain clients who aren't interested in football

Whether you're looking to develop existing relationships or secure new clients for the future, making a fantastic impression is key to developing an edge over your competitors.

While football is our core business, we have an exciting social calendar offering a variety of events to appeal to clients who aren't interested in the sport.

- Join us at one of our Sporting Dinners with great food and entertainment from legends from the sporting world
- Compete in our annual Golf Day with your clients
- Join us at the social event of the year – our End of Season Awards. It's a spectacular occasion even if you don't like football!
- Have a fun night out at our tribute evenings and Comedy Events

There is a vast number of opportunities available, and if you tell us more about your client we may be able to create a bespoke opportunity for you to make a real impression.

Call us on **0871 222 2220** (option 4)  
or email [corporate@wolves.co.uk](mailto:corporate@wolves.co.uk) to discuss.

I want to...

# Entertain clients who aren't interested in football

### Private Event

If football doesn't appeal to you or your clients we can still help. Our unique facilities provide an impressive back drop to any event, from a private meeting for two in full view of the Molineux pitch to a conference for 500 in a location to inspire conversation amongst delegates.

With our Museum, Boardroom and Press Suite available for hire you'll start any event with a real talking point of a behind-the-scenes look at a historic football club.

### Golf Day

Our annual golf day sees a number of teams compete on a local course with current and ex players. After a relaxing (but competitive!) day on the golf course it's back to Molineux for the post event Dinner and Awards.

### End of Season Dinner

Our End of Season Dinner is held within a few days of the last game of the season and sees over 700 guests in attendance at Telford International Centre with the First Team Squad and Club management. It's a glitzy event, Wolverhampton's answer to the Brits and after the awards are presented there's post event entertainment.

### Sporting Dinners

In recent times we've welcomed Jamie Carragher, David Haye, Sir Bobby Charlton, Ricky Hatton, Phil 'The Power' Taylor and many many more.

The evenings are always a great success with a fantastic dinner followed by excellent entertainment from our special guests. Taking place in the evening it's a great hospitality solution for clients not wishing to sacrifice their weekends for football matches.

### Special Events

We also hold a number of informal tribute night events and Comedy Club evenings, not tailored to the corporate market but they are an ideal solution for a fun and relaxed evening out with clients and colleagues alike.

### Play on the Pitch

Before work begins on renovating the playing surface for the following season, the pitch is accessible for companies to hire. Running a tournament on a full-sized professional playing pitch at a famous stadium with access to the facilities (such as the changing rooms) will catch the attention of all who dreamed of being a professional athlete! And you won't have to be a Wolves fan to appreciate the experience of feeling like a professional footballer for the day.

### Go the Extra Mile

If you're working hard to establish a strong relationship with a client, consider treating their friends and family to an experience or event. We offer the experience of a lifetime for children with the chance to lead out the team as the mascot at home matches.
