## WOW potential clients

---

Whether you're looking to develop existing relationships or secure new clients for the future, making a fantastic impression is key to developing an edge over your competitors.

Your clients don't have to be Wolves fans, or even interested in sports, to be impressed by what we have to offer.

Our fantastic and unique facilities can bring the 'wow' factor to any event and we also have a range of experiences and events that may prove more suitable in the context of your overall goal and the clients you are looking to impress.

- Enjoy VIP hospitality in impressive facilities and a competitive match of football in one of the most popular leagues in the world
- Become a VVIP and add on unique money-can't-buy experiences such as meeting the Man of the Match, or lining up on the pitch with the team captains and match officials
- To make a real impression on your client, treat their loved ones to a once-in-a-lifetime experience such as a matchday mascot package for their children
- Mix business and pleasure with a day or evening out at one of our events
- Fulfil childhood dreams by inviting your clients to follow in the footsteps of sporting legends and host a 'play on the pitch' event
- Host your own invitation-only event in our unique behind the scenes facilities

## Potential clients

### EXCITE

With unique money can't buy experiences

### MIX BUSINESS & PLEASURE

At informal, fun events to suit yours and your client's work schedule

### AWAKEN

Childhood dreams of playing professional football with an exclusive event utilising the hallowed Molineux turf

#### Matchday hospitality

You don't need an infinite budget to create an impression, our matchday hospitality packages start from as little as £48 + VAT per person in WV1 Bar. For those looking to add a little more to the experience we offer alternative packages that include pre-match meals or you can add on a visit to the Wolves Museum.

If you'd like some privacy to entertain your clients we have smaller facilities available for private hire on a matchday and non-matchday.

#### Matchday Sponsorship

For those money can't buy experiences we offer a number of matchday sponsorship packages with add-ons that include meeting the Head Coach for a Q&A session, lining up on the pitch with the team captains before kick off, presenting the Man of the Match with his award and more.

#### Seasonal packages

If entertaining is the core of your business, we offer seasonal hospitality packages that across the season could save you hundreds of pounds. Your places are booked for all 23 home league games and the first two cup games played at Molineux so every season you'll have 25 opportunities to host guests, all receiving the same first-class experience.

#### Private Event

If football doesn't appeal to you or your clients we can still help. Our unique facilities provide an impressive back drop to any event, from a private meeting for two in full view of the Molineux pitch to a conference for 500 in a location to inspire conversation amongst delegates. With our Museum, Boardroom and Press Suite available for hire you'll start any event with a real talking point of a behind-the-scenes look at a historic football club.

#### Unique events

We don't just host football matches, we also have a calendar of events that appeal to a range of ages, demographics and interests. Our Annual Golf Day allows teams to enjoy a little friendly competition on a premium golf course with some football legends of past and present.

Our sporting dinners are held on weekday evenings to minimise inconvenience for guests not wishing to spare time out of the office or away from family at weekends and are a fun and relaxed evening out.

Our End of Season Dinner, while most suitable for a Wolves enthusiast, is our most glamorous event of the season with awards presented to the top performing players who are in attendance on the night, and entertainment into the early hours.

#### Play on the Pitch

Before work begins on renovating the playing surface for the following season, the pitch is accessible for companies to hire. Running a tournament on a full-sized professional playing pitch at a famous stadium with access to the facilities (such as the changing rooms) will catch the attention of all who dreamed of being a professional athlete! And you won't have to be a Wolves fan to appreciate the experience of feeling like a professional footballer for the day.

#### Go the Extra Mile

If you're working hard to establish a strong relationship with a client, consider treating their friends and family to an experience or event. We offer the experience of a lifetime for children with the chance to lead out the team as the mascot at home matches.
